OUR CHARTER

Following years of experience, The Venues Collection has created an Apprentice Charter that means no matter which venue within the Collection you choose, you and your Apprentices are guaranteed the same excellent facilities and service that have been created with Apprentice needs in mind.

We understand there is a duty of care so we adjust our ways of working and go the extra mile to make guests feel comfortable and at ease.

In addition to breakfast, dinner and accommodation, our venues can provide meeting and training rooms, should you need extra space at any time.
